

# HONOR ROLL OF DONORS

Fiscal Year 2010, July 1, 2009 to June 30, 2010

College of Staten Island  
**FOUNDATION**

*Message from the President*

Greetings!

It is my pleasure as the President of the College of Staten Island to introduce the CSI Foundation's 2009-2010 Honor Roll of Donors.

The Honor Roll of Donors showcases the invaluable support provided by CSI's generous donors over the past year.

As for many, this year has highlighted several continued challenging economic conditions. For CSI, we mark this year for its many successes: from touching the lives of thousands of students as Staten Island's only public institution for higher education to supporting cutting-edge research through the CUNY High-Performance Computing Facility, as well as the Staten Island Breast Cancer Research Initiative.

CSI has a long and well-grounded history of success and achievement, and we continue to strive ever upward. With each passing year, CSI makes remarkable strides in its efforts to nurture a diverse learning environment, while enhancing the student learning experience. We look forward to making even greater advancements this year with your continued assistance. Thank you to our outstanding faculty, our hard-working students and their very supportive families, our caring staff, the tireless Foundation Board, and, of course, our tremendously involved and generous family of alumni and donors! Together, you continue to help write CSI's story of success.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Tomás D. Morales', with a stylized flourish at the end.

Tomás D. Morales, PhD  
President
