January 2018

Dear Dolphin Fans.

I hope you all had a happy and healthy holiday season, and that you are just as excited for 2018 as we are! At the start of the New Year, our athletic staff welcomed Jason McFall to a new position in our department that will combine head coaching duties for cross-country and track & field with the coordination of our athletic operations. McFall started his position mid-January and got right to work looking to resurrect the cross-country programs, while getting the Dolphins ready for varsity track & field beginning in the 2018-19 academic year. I am confident that with McFall as our head coach, we will see our cross country and track & field programs grow and prosper in 2018.

As you all know, I am a big fan of basketball and this season has been filled with many electrifying moments thus far. On Monday, January 22, 2018, senior guard, Christina Pasaturo became the first woman in CSI basketball history to score 2,000 career points! With only 1:24 left in regulation against CCONY, Pasaturo hit a free throw to become the third player in CUNYAC history to eclipse 2,000 points. Going into the game, Pasaturo knew she needed 19 points to make history and she hit the mark spot on, ending the game with exactly 19. We are all rooting for Pasaturo and the rest of the Dolphins as we finish out the regular season and enter into the playoffs next month.

The past two weekends, we welcomed back many familiar faces to The Tank for our Men and Women's Alumni Basketball games. On Saturday, January 20th, we hosted our inaugural women's alumni game and had a great turnout, 20 women came back to play and watch. In coming years, we hope to see more alumni attend and enjoy a fun day back at The Tank.

On the men's side, we hosted the 8th Annual Alumni Game this past weekend in honor of long-time assistant coach Matty White and his wife, Dolores White. This year we saw a record number in attendance to salute long time head coach Tony Petosa. Thirty alumni suited up to play, while others watched and cheered from the stands. After a very close game, it was the blue team that came out on top with a 77-74 victory. At the conclusion of the game, Alumni gathered for a luncheon prior to the start of the CSI Men's Basketball contest against York. A full tribute to Petosa took place before the start of the game, which featured a permanent banner put up in the gymnasium that highlights his CSI and CUNYAC record 459 career wins as a coach.

Go Dolphins!
