Dear Colleagues:

We at the College of Staten Island Phi Beta Kappa Associates are planning to honor graduating seniors with exceptional achievements in the liberal arts. As in years past, we will be presenting them with gift certificates to Barnes and Noble Bookstores.

Please think about supporting us in our efforts. Because our book awards are funded directly by faculty and staff, any donation you are able to make would be helpful. \$10-\$15-\$25 contributions are traditional, though we are happy to receive gifts of any amount. Please make checks payable to "CSI Foundation" and list "CSI Phi Beta Kappa" in the memo line. Cash contributions are also welcome. Just remember to put your name on the detachable slip. The CSI Foundation will acknowledge your contribution with a letter sent out later in the spring.

Please send all contributions to:

Professor Timothy Gray
CSI Phi Beta Kappa Associates
Department of English 2S-218
College of Staten Island, CUNY
2800 Victory Boulevard
Staten Island, NY 10314

Please contact me if you would like to help us. Please note that you need not be a member of Phi Beta Kappa to contribute time or money to our cause.

Sincerely,

Timothy Gray
