## Archives History Day

**Tuesday, October 31<sup>st</sup> at 2:30pm, Library 1L-216**

Light Refreshments to follow in 1L-110

**CC CLUE**

Please join us for a talk by George Robb, Professor of History at William Paterson University, author of *Ladies of the Ticker: Women and Wall Street from the Gilded Age to the Great Depression*. This new work sheds light on the long overlooked history of the essential role women played in finance, in such areas as banking and the stock market during the late nineteenth and early twentieth centuries.
