

# Sustainability at CSI

Tuesday, April 24, 2018, 2:30pm - 3:30pm

Library Archives & Special Collections, 1L-216

CC CLUE event

In honor of Earth Day, the Greener Library Committee will host a talk featuring Lillian McGinn, Director of Campus Planning, and Cameron Christensen, Assistant Vice President of Campus Planning & Facilities Management. They will discuss sustainability initiatives on campus, such as those involving construction on Loop Road and 'green' strategies related to facilities.
