

LAUNCH YOUR CAREER NOW!

INROADS has graduated over 28,000 talented youth from interns to full-time managerial jobs with over 1,000 major companies such as:

Kaiser Permanente, Travelers, Lockheed Martin, MetLife, Inc., Harris Corporation and more Fortune 500 companies.

The Opportunity:

The INROADS Leadership Development Program provides professional training, which includes access to a career-related paid summer internship at a Fortune 500 company!

The Benefits:

- Multi-year internships at top pay: \$6,000-10,000 per summer
- Potential for a full-time job offer
- Assigned corporate mentor
- Professional/managerial training by corporate professionals
- Personalized coaching from an INROADS Advisor
- Free tutoring and taking part in networking with executives and career-minded peers

The Requirements:

- One or more summers remaining prior to completion of an undergraduate degree
- Internships require 3.0 GPA
- For additional guidelines review the application

The Career Paths:

Engineering, Information Technology, Sales, Financial Services, Allied Healthcare, Retail Management, Food Sciences, Government and more ...
