Celebrating Campus Children's Centers Week

Did you know?

- We serve 70 children each day.
- We partner with many departments and colleges on campus each year in a variety of ways. Ask us how you can become a champion of our program too!
- We support 90 + students each year as they fulfill requirements for course completion.
- We shape brain development each day as we support children's growth and development.
- We are a valuable part of our campus community.
- We are a cause for celebration!
