
CUNY Tech Prep

Fall 2019 - Spring 2020

A *free*, year-long program: a 10-12-week, Javascript-based, full stack web application sprint, followed by a semester of additional project-based coursework, career coaching, and connections to tech roles in NYC, located in Midtown Manhattan.

**Attend our CSI info session
& LinkedIn Workshop!**

Thursday, 2/14 @ 2:30pm | 1N - 114

To be eligible, you should:

- be a Computer Science (or related) major
- be graduating Fall 2019 – Summer 2022
- have completed coursework in Data Structures
- be 18 years old or older, not make more than \$50,000/yr, and be legally able to work in the U.S.

RSVP HERE!
