Reading Across the Curriculum: Helping Students Understand Difficult Texts

CSI's Writing Across the Curriculum Program is excited to announce the first workshop of the Spring semester series. Harry Thorne and Rosanne Carlo, CSI's WAC Coordinators, will discuss strategies to help students understand challenging texts from all disciplines. We hope you can join us!

Designing Effective Rubrics: Workshop

This workshop will cover the design and creation of effective rubrics. It is appropriate for faculty who are new to rubrics and those who desire further work with them.

Student Success Institute

The focus of the Institute will be learning about and designing learning strategies that support student success.

Black History Month-- Feeling Some Type of Way: The Revolutionary Politics of "Ratchet" Reality Television

This talk argues that, as a genre, reality television escapes critical attention because of its negative status and because the genre itself masks the real labor of cast and crew as "reality."
