

NEW SIGNATURE COURSE

PROJECT MANAGEMENT PROFESSIONAL (PMP®)*

Prepare to take the PMP® exam from the Project Management Institute (PMI)® to attain PMP® certification. The PMP® is one of the most valuable professional credentials available anywhere, instantly recognized around the entire world. A PMP certification validates your Project Management skill set at the highest level, demonstrating your experience in the field and signaling to employers and colleagues alike that you possess the knowledge and competencies to bring in any project on time and on budget. With the letters "PMP" after your name, you will see how your resume is noticed, and how lucrative and rewarding job opportunities become available to you in the growing field of Project Management. In this course, you will be prepared for the PMP® exam sponsored by the Project Management Institute. This course will cover the 5 process groups, 10 knowledge areas, and 47 processes.**
