**Time to Vote on Election Day
N.Y. Election Law Section 3-110i**

- As a registered voter, you may take off up to 3 hours, without loss of pay, to allow you time to vote
- You may take the time off at the beginning or end of your working shift, as your employer may designate, unless otherwise mutually agreed.
- You must notify your supervisor at least 2 working days before the day of the election that you will need time off to vote.

For more information, please contact your campus Human Resources department.

Please note: this applies to primary and general elections, as well as any special elections called by the Governor. It does NOT include school district elections, library district elections, fire district elections or special town elections. Also, the time off to vote provisions only apply to primary or election days NOT to early voting periods.
