## CUNY EDGE Fellowship Program

---

CUNY EDGE (formerly known as COPE) envisions a world in which all people have access to the educational opportunities and support they need to realize academic success, a sustainable career, and a brighter future. We commit to contributing to this vision. CUNY EDGE’s mission is to help CUNY students who are receiving public assistance achieve academic excellence, graduate on time, and find employment.

The CUNY EDGE/ HRA Fellowship Program provides a limited number of paid work opportunities for CUNY EDGE students. Students are paid at the rate of \$15 an hour through the Research Foundation of CUNY. Unlike Federal Work Study, many of our CUNY EDGE fellowship students continue their fellowships during the summer and winter intersessions.

### **Student Eligibility:**

HRA determines eligibility and the number of hours each student is assigned.

### **Fellowship Site Placement:**

CUNY EDGE staff identify available work opportunities on campus.

We screen and match students to appropriate sites, taking into consideration their majors, interests, and experience.

Students gain invaluable professional experience and build their resumes.

Students are able to work up to 19 hours per week.
