AT THE COLLEGE OF STATEN ISLAND

Madame Hyde (Mrs. Hyde)

This loose adaptation of *The Strange Case of Dr. Jekyll and Mr. Hyde* transplants Robert Louis Stevenson's classic tale to a high school in a tough Paris suburb and infuses it with a surprising mix of B-movie chills, dry humor, and contemporary reality. Isabelle Huppert stars as the meek but devoted physics teacher Mme.

Géquil, a helpless idealist who undergoes an explosive transformation after being struck by lightning in her makeshift lab.
