

# CONGRATULATIONS TO THE CSI CLASS OF 2020!

## HELLO TO ALL GRADUATING STUDENTS

From all of us here at the Bookstore we hope you are able to stay safe and finish out the spring semester. Due to the unprecedented times we have no set date for 2020 graduation, but we wanted to thank all of our graduating students for their incredible achievement. We will be providing their cap, gown, tassel, and hoods, if they so wish. Undergraduate packages will include the cap, gown, and tassel. Graduate packages will include the cap, gown, and tassel. Masters hoods will be provided for those students.

To help make this process as easy and safe as possible, we are working with Oak Hall, the bookstore, to provide the regular graduation website with a custom website where you can purchase the items you need. It will be sent straight to your door. **[pricing and sizing information is available on the site and will be updated at that link when it is available some time next week.](#)** By making this process easier and purchasing seamless this year, it will give our graduates the opportunity to celebrate as they deserve.
