

COLLEGE OF STATEN ISLAND SUSTAINABILITY

Daylight Hour:
At Home Edition

June 22, 2020
12 PM—1 PM

**CSI will participate in #DaylightHour on June 22, 2020.
Is your home office participating?**

Lower the lights for 1 HR | Raise Awareness | Transform the Conversation

Show us your creative use of daylight in your home office!

Take a picture of your home office with pets, kids or a scenic view from your home office window.

Tag us on social media and use #DaylightHour!

Daylight Hour is an annual social media campaign that promotes the use of natural daylight during the hours of 12 and 1 PM instead of electrical lighting in your home office spaces.

For more information please visit: www.daylighthour.org

CSI Sustainability is a collaboration between Campus Planning and Facilities Management and the Division of Economic Development, Continuing Studies, and Government Relations.
