# What is White Privilege?

*Presented by Professors  
Jean Halley (CSI) & Amy Eshleman (Wagner)*

**Monday, December 7, 2020**

**10:00 AM - 12:00 PM**

**[Register Here](#)**

Jean Halley and Amy Eshleman will discuss the topic of their book, *Seeing White: An Introduction to White Privilege and Race*, co-written with Ramya Vijaya. Halley and Eshleman use the lens of white privilege to clarify that race is everyone's issue in the United States, and that we can find common ground on our focus on social justice. The authors focus on social justice and discuss social policies that perpetuate and counter the forces of privilege and discrimination.
