Re: CSI Alumni Association Board of Directors Recruitment

The College of Staten Island Alumni Association Board of Directors is a group of successful alumni who promote the interests of the College and support its activities through volunteer work and financial support. We are seeking additional members who are motivated, driven, and diverse, and who will be able to use their skills and build on their experiences at CSI to strengthen the Board, engage our 75,000 alumni, and enhance our contribution to the College and community.

As a leader at the College, you are in a position to identify successful graduates who may be willing to make a solid contribution to the CSI community. We would ask that you take a few moments to identify potential graduates (current or those in their final semester) and colleagues who you feel would transition well into a position on the CSI Alumni Association Board of Directors.

Kindly forward their names and contact information to [alumniboard@csi.cuny.edu](mailto:alumniboard@csi.cuny.edu) by Friday, March 25<sup>th</sup>, 2022. If you have any questions or concerns, please contact us at the email address above or call Crystal Deosaran at 718-982-2748.

We look forward to working with you as we strengthen the Mission of the College.

Sincerely,

A handwritten signature in black ink, appearing to be "Anisa Bekteshi".
