

The Bertha Harris Women's Center and
The Program in Women's, Gender & Sexuality Studies

celebrate National Poetry Month with

A Poetry Reading

honoring our friend and Staten Island poet

Jean Roland (1924-2024)

(not a memorial but a celebration)

Bring a favorite poem to read and share.

Hear some of Jean's poems and occasional writing.

Write and read a haiku about the ridiculousness of life.

Dwelling
living in the past
Dreaming
living for the future day
Now is happiness.
