

**Networking can help you build professional relationships with industry specialists in your field. According to LinkedIn, networking accounts for over 75 percent of students getting internships and jobs. Boost your “hiring power” by attending the networking events listed below. Building relationships with recruiters can offer you career opportunities and provide valuable career guidance from experts in your field. Networking relationships often turn into mentorships, a smart and sometimes overlooked strategy for opening doors to that internship or job position that interests you. Look below and act now!**

### **Upcoming Networking Events**
