

Civil Service 101 (Hybrid) Information Sessions

DCAS is offering two hybrid **Civil Service 101 (CS101) Information Sessions** in July 2025. In these sessions, attendees will learn about the civil service process, the DCAS examination process, how to apply for a civil service exam, and what happens after taking and passing an exam.

Please note: these DCAS sessions are focused on providing attendees with information on the civil service process and exams offered by DCAS (not including CUNY or HHC exams). However, the sessions will provide information on the civil service process overall. Since DCAS has a slightly different process e.g., transfer of permanent titles, etc. any questions related to the sessions should be emailed to CUNY Civil Service Support at Classified.Centex@cuny.edu.

Upcoming Sessions in July 2025
