

Is Your Resume Ready?

Revising your resume is crucial because it should be a living document that evolves with your experiences. As a college student, you are constantly gaining new skills, completing relevant projects, and acquiring new achievements each semester. Tailoring your resume for each specific job or internship application allows you to highlight the most relevant qualifications and use keywords from the job description, significantly increasing your chances of getting past applicant tracking systems and catching a recruiter's eye. [Make a career appointment](#) today to get your resume reviewed!

Activate Your Handshake Account

Your first and most important step is to [activate your Handshake account](#) by logging in with **your CIX email and SLAS password**. This is our official platform for jobs, internships, career fairs, and workshops. Don't just activate it—**complete your profile!** A complete profile makes you significantly more likely to be contacted by employers who are actively looking for candidates just like you.
