

Welcome back! We hope you had a restful and fun summer. As you jump into the new semester, now is the perfect time to focus on your career

goals. 🚀

Get Career-Ready!

Activate Your Handshake Account

Your first and most important step is to activate your Handshake account by logging in with your CIX email and SLAS password. This is

our official platform for jobs, internships, career fairs, and workshops. Don't just activate it—complete your profile! A complete profile makes

you significantly more likely to be contacted by employers who are actively looking for candidates just like you.

Watch Out for Job Scams!

As you begin your search, it's crucial to be cautious. Be on the lookout for job scams that ask you to pay for a position, provide personal banking

information to receive "equipment," or offer a job without a formal interview. Remember: If a job offer seems too good to be true, it probably is.

If you're ever unsure about a posting, please contact us immediately.

We're excited to work with you this year. Let's make it a great one!
