

You can meet with a financial consultant at CUNY College of Staten Island .

No matter where you are in life—whether you’re just getting started or planning for retirement—a session with a financial consultant can help you create a plan for your goals. And, it’s at no additional cost as a part of your retirement plan. You’ll get answers to these questions and more:

- Am I invested in the appropriate mix of investments to help meet my goals?*
- Am I saving enough to create the retirement income I need?
- How do I take income from my retirement account once I stop working?
